It depends on the number of burials, memorials for the deceased and more importantly whether they are from the parish or not. If they are not then all fees are tripled; this has happened on a number of occasions during the year. Income higher than anticipated!

Cost Centre – Miscellaneous

Code 121 – Poppy money donations from local businesses and residents.

Code 121 – Donation from local shop keepers towards new "village centre" sign..

Code 121 – Photocopier donations from Breedon/LWDPC

Cost Centre – General Administration Expenditure

Code 13 – Computer / website costs – Will always be slighter higher due to increased costs for website, packages etc. Budget will need to be adjusted accordingly.

Code 18 – Payments over two years of accounts.

All others appear to be on budget.

Cost Centre - Staff Costs

This represents staff salaries, pensions and NI/TAX.

Cost Centre - Insurance

Code 33 – This represents insurance for all council activities. This is unlikely to go up next year, and is likely to come down when the Hillside office is sold.

Cost Centre – Dog Bin Contract Expenditure

Code 34 – This actually represents the dog bin, feminine hygiene and barrier mats contract.

Cost Centre – Grounds Maintenance

Code 35 – The spend is on budget, including the new areas of ownership off Spitfire Road and urban grass cutting undertaken on behalf of LCC

Code 150 – Full set of walkie talkies now purchased, as the new ones were unable to be utilised with the ones from NWLDC.

Cost Centre – VAT Refunds

Payments from HM Customs on VAT reclaimed

Cost Centre – Rolling Programme Expenditure

Money allocated for various projects.

Money has been "borrowed" from the Section 106 money for recreation to allow the Parish Council not to have to borrow so much for the redevelopment of the Hub. Separate spreadsheet set up to show all receipts/expenditure.

Cost Centre – Christmas Lights Contract

All on budget.

Cost Centre – Hanging Basket Contract

All on budget; slightly lower actual expenditure due to the price for the bus station planter being offered free this year, due to a poor condition planter last year.

Cost Centre - Grants and Donations Income

Grants and donations received for various projects – None received to date.

Cost Centre – Council Tax Support Grant

Cost Centre – Devolved Services Expenditure

Code 154 – Expenses for Catholic Church taken on from NWLDC.

Code 153 – Library minimal expenditure for PAT testing, lighting repairs and mowing.

Cost Centre – Community Hub Expenditure

Mainly all on budget; rates are over budget due to the issues of having the building revalued. Unspent provisions will be carried forward towards the actual cost of the redevelopment.

Cost Centre – Community Hub Income

None received to date.

Cost Centre – Music in the Park expenditure

Cost of event; below budget as savings made on bands chosen.

Cost Centre - Music in the Park income

Code 194 – Income received from Livenation, Marks and Spencers, Norton motorcyles and commercial stalls at event.

Net Totals

Receipts – These show the estimated amounts (as set in the Precept) and those actually received through the year.

Payments – The actual estimated amounts budgeted to be spent (as set in the Precept) and those actually spent through the year.

Net position – This is the estimated payments minus actual payments plus actual receipts minus estimated receipts.

The confusing part to these balances is the Rolling Programme, where it is anticipated that all the budgets will be spent, however, in theory this is not generally the case as many are carried forward to another year to the allow them to be accumulated until such time there is sufficient to undertake a large project.

To obtain a true figure on spending just from the Precept money the Rolling Programme receipts and payments and budgeted figures would need to be separated, however, each Cost Centre works on the same principle so it is possible to see how each Cost Centre has been working.

VAT

This shows the amount received back from HM Customs in the receipts column and the amount actually spent on all purchases in the payments column. The Parish Council in general terms can reclaim all VAT.
