4 October 2021

Dear Sir or Madam,

NOTIFICATION OF ESSENTIAL MAINTENANCE WORKS M1 Junction 23 – 23a Northbound

I'm writing to let you know that we'll be carrying out essential maintenance work on the M1 from Junction 23 to 23a northbound carriageway.

During our comprehensive scheme of work on the M1 between junctions 23 and 23a (including the A42 entry / exit slips) we will carry out resurfacing, refurbishment of bridge joints, road markings and road studs.

Once completed, all road users will benefit from improved road safety and a smoother driving experience.

When will the work take place?

Work is due to start **18 October 2021** and is scheduled for completion by **Mid January 2022**, we will work:

- Between 10pm and 6am Monday to Friday

During these hours we will put in place a full closure of the northbound carriageway including the A42 entry slip road.

Please note that all our planned works are subject to change due to weather conditions, significant events or unforeseen circumstances.

How will the work affect traffic?

During full road closures, we will put in place fully signed diversion routes which have been agreed with the local authority. All carriageways, roundabouts and slip roads will be fully open throughout the daytime.

If you'd like more information about the different phases of our work or a copy of the diversion route drawings, please feel free to get in touch with us

How will the work affect businesses and residents?

We will make sure that access to businesses and residencies is maintained wherever possible.

We will also have a dedicated Public Liaison Officer on hand to answer any questions.

Contact Us

If you have any questions about this work or would like to arrange a meeting with us, please contact our **Public Liaison Officer** Leanne Gibson, as follows:

- Email: EMADcomms@kier.co.uk
- Telephone: 07768 796542

Alternatively, you can contact our Highways England Customer Contact Centre as follows:

- Email: info@highwaysengland.co.uk
- Telephone: 0300 123 5000

We apologise for any inconvenience this essential maintenance work causes and will do our very best to complete the job as quickly as possible, keeping disturbances and noise to a minimum.

Yours faithfully,

Ian Hayward
Project Manager
Highways England
