12th February 2024

Dear Sir or Madam

**NOTIFICATION OF ESSENTIAL MAINTENANCE WORKS
A42 J14 to M1 Electrical**

I am writing to let you know that we will be carrying out essential electrical works on the A42 between Junction 14 and M1 Junction 23a - Donington Services.

During our scheme of work, we will:

- Replace end of life street lighting equipment including columns and lanterns
- Replace feeder pillars, ducting, road crossings and cables
- Replace existing signs
- Clear vegetation

Once completed, all road users will benefit from improved road safety and lighting.

When will the work take place?

Work is due to start on **26th February 2024** and is scheduled for completion by the **middle of December 2024**.

Please note that all our planned roadworks may be subject to change due to weather conditions or unforeseen circumstances.

How will the work affect traffic?

To keep our programme for these works as short as possible and to minimise disruption to the local community, residents, businesses and road users, we will work under full closures of slip roads and the A42. We will also work under lane closures on the M1, and A453 dual carriageway between **9pm** and **5am, Monday to Friday**.

During all road closures we will put in place fully signed diversion routes which have been agreed with Local Authorities for this important safety improvement work. All carriageways will be open as usual outside our working hours.

No HGV's will be granted access during restricted times, HGV's will need to follow the diversion in place.

How will the work affect businesses and residents?

We will make sure that access to businesses and residences is maintained wherever possible.

We apologise for any inconvenience caused and will do our very best to complete the work as quickly as possible, keeping disturbances and noise to a minimum.

How to contact us.

If you have any questions or if you would like further information about this work, please contact our **Public Liaison Officer**, as follows:

- Email: EMcomms@amey.co.uk
- Telephone: 07568 605103

Alternatively, you can contact our National Highways Customer Contact Centre as follows:

- Email: info@nationalhighways.co.uk
- Telephone: 0300 123 5000

Yours faithfully,

Kyle Morley
