

Section 3 - External Auditor Report and Certificate 2022/23

In respect of

Castle Donington Parish Council

1 Respective responsibilities of the body and the auditor

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it does not provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2023; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors

2 External auditor report 2022/23

Except for the matters reported below on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with the Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

It was noted on review that the announcement and commencement of the Notice of Public Rights was before the approval of the Annual Governance and Accountability Return. Regulation 12 – 15 of the Accounts and Audit Regulations 2015 set out the order required to be followed when approving, announcing, and publishing the Return and related documents in order to satisfy the Public Rights requirements. The Return must be approved prior to the Notice being published. To be able to demonstrate this, proper practice requires that the Notice is published no sooner than the day following the approval meeting and the Public Rights period commences no sooner than the next working day after that.

Box 11b on Section 2 of the AGAR was submitted with a 'Yes' response. Given the Council are not a sole trustee, the response to this box should have been 'N/A'.

The balance in Box 8 of the AGAR is incorrect by £1,288.95, in relation to a dividend reinvestment not being recorded until the 23/24 period. As the transaction was dated 1 March 2023, it should be included in this year's AGAR and therefore Assertion 1 on Section 1 Annual Governance Statement should be answered 'No'.

Other matters not affecting our opinion which we draw to the attention of the authority:

It was discovered that the original Section 2 - Accounting Statements included incorrect figures entered within Boxes 4 and 6 for the current year. The appropriate adjustments have been made on the face of the return and clearly marked in line with proper practice. We would expect the Council to consider their response to Assertion 1 on the 2023/24 Annual Governance Statement.

3 External auditor certificate 2022/23

We certify/~~do not certify~~* that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2023.

*We do not certify completion because:

External Auditor Name

External Auditor Signature
